Admin Dashboard Requirements

Location: /admin/dashboard A. Dashboard & Navigation

Design the admin dashboard at /admin/dashboard.

Provide clear navigation to:

- User registration approvals

- Course management

- Course members (teachers and students) via /courses/1/teachers and /courses/1/students

B. User Registration Management

View all users with status pending approval.

Select a user to review their submitted registration form.

Approve or deny the registration.

Assign a role (Student or Teacher) when approving.

If assigning a Teacher, assign them to at least one course.

C. Course Management

View all courses and create new ones.

Select a course to:

- View course description

- Modify course details

- Delete the course

1. do on admin create user

5	Chhhy	chhy an	chhy@gmail.com		Active	Edit Disable Delete
6	panhy	dra caryn	dracaryns@gmail.com	STUDENT	Active	Edit Disable Delete

3. user register

The image displays two screenshots of a web application interface.

The top screenshot shows the 'Register' page. The URL is `http://localhost:8080/register`. The page has a purple background. A white form titled 'Register' with a pencil icon and the text 'Create your account' is centered. A blue note box states: 'Note: Your registration requires admin approval before you can login.' The form contains the following fields: 'Username *' (filled with 'moang'), 'Email *' (filled with 'mo@gmail.com'), 'Password *' (filled with '*****'), 'First Name *' (filled with 'sav'), and 'Last Name *' (filled with 'mong'). Below the fields is a blue 'Register' button. Underneath the button is the text 'OR' and a green button labeled 'Browse Courses as Guest'. At the bottom of the form, there is a link 'Already have an account? Login here' and a link 'Back to Home'.

The bottom screenshot shows the 'Review User Registration' page. The URL is `http://localhost:8080/admin/approvals/7`. The page has a purple background. The title 'Review User Registration' is at the top, with a link 'Back to Approvals' below it. A white box contains the 'User Information':
User Information
Username: moang
Email: mo@gmail.com
First Name: sav
Last Name: mong
Registration Date: 2026-01-06 14:13
Below the box is the 'Assign Role:' section with a dropdown menu showing '-- Select Role --'. At the bottom, there are two buttons: a green 'Approve User' button and a red 'Deny Registration' button.

Teacher Privileges: Viewing and Modifying

- must allow teachers to view courses, students and teachers in their assigned courses, create and manage classrooms.
- must allow teachers to view courses (this privilege might exist if issue
- Guest Privileges: View Courses #28 is resolved). must allow teachers to only see students and their fellow teachers in their own assigned courses. Therefore, must not allow them to see other courses

teachers and students.

- must allow teachers to only see their own classrooms and their classroom schedules and never others.
